

## William Brundage

William has been an employee of Franklin County for nearly 35 years. During the past 10 years as a supervisor, William has been invaluable to the agency for his knowledge of nursing home Medicaid rules. Not only is he knowledgeable, but he is always willing to assist his coworkers with their cases. In addition, William is no stranger to working long days. He routinely arrives to work at 7:45 a.m. and leaves at 6:00 p.m., working an extra hour per day. He is a dedicated advocate making sure his clients' needs are being served. He even helped develop new policies that streamlined the application process. The new policy made seeing clients more efficient. This has benefited the client as well as the agency. As a concerned citizen, William has worked with the state to change policies that would close loopholes in Medicaid eligibility, saving taxpayers money. He is well liked and respected by his coworkers and supervisors. Bill is a dedicated husband and father and a tremendous asset to the JFS family.
