Call 614-525-6773 and follow the prompts to reach the Health Engagement Nurses.

Nurse Therese, Nurse Laura and Nurse Brittany are here to support Franklin County Cooperative employees, spouses/domestic partners, and eligible dependents with the following:

- Health promotion and prevention through sound health care decisions and education.
- Navigation of UnitedHealthcare tools and resources and referral to appropriate wellness programs and services.
- Health education to individuals and groups.
- Support for chronic conditions such as diabetes, heart disease, hypertension, asthma, and many others.
- Finding health care providers that fit your needs.

All interactions with your Health Engagement Nurse are at no cost to you and 100% confidential
