FREQUENTLY ASKED QUESTIONS

Who is eligible? All Franklin County Cooperative employees, spouses/domestic partners, and dependent children 16+ (with guardian present) can get a flu vaccine at one of our convenient flu clinics. You do not have to be enrolled in the health plan to receive a flu vaccine at an onsite flu clinic.

What if I can't make it to an onsite event? If you are unable to attend an onsite flu vaccine clinic, we encourage you to still get a flu vaccine to protect your health. Alternative options include:

- Your Primary Care Physician office (must bring insurance card)
- Any CVS, Kroger, Meijer, Rite Aid, Walgreens or Walmart pharmacy (must bring insurance card)

How do I earn a Well-Being Activity Incentive? You can earn a \$50 Well-Being Activity Incentive for getting your flu shot this year. Only vaccines received between 1/1/2025-12/31/2025 are eligible.

- **Onsite Event:** Everyone who attends an onsite event will automatically receive credit (must be registered at fccThriveOn.com to receive the incentive).
- **Pharmacy/PCP Office:**
 - If you **do** utilize Franklin County benefits for your vaccination, it will be automatically reported and credit should appear in your account within 45-60 days.
 - If you **do not** utilize Franklin County insurance for your vaccination, or if you do not see the credit after 60 days, you can submit proof of your flu vaccine to receive credit. Acceptable proof includes a photo or copy of your pharmacy receipt or MyChart immunization history, which must show your name, date of birth, the location where the vaccine was administered, and the date of service. Submit your proof by emailing it to ThriveOnWellness@OhioHealth.com or faxing it toll-free to **888.255.0214** by December 31, 2025.
